

Volunteer Registration Form

For over twenty years volunteers across Alberta have taught grade four students about the importance of agriculture in their daily lives. Without the support of volunteers this program would not be possible.

Presentations occur between March and June of each year, depending on the volunteers' schedule.

The norm for time dedicated to do **ONE CAP presentations is about FIVE HOURS** (which includes training, preparation and one hour in the classroom.)

1. NAME: _____

2. CONTACT INFORMATION:
